

IN THE SOUP: LATEST INGREDIENTS

Welcome to the summer booklist from Duck Soup, that little-known cultural outpost in Holborn. This list covers poetry (recent publications & additions to stock), music (a complete stock-list) & fiction/criticism (stocklist, excluding mass-market paperback publishers like Penguin, Pan), Still in preparation: a list covering film/media studies: if you'd like a copy, please send S.A.E.

On this list, there are two systems with which to calculate post & packing: if this doesn't confuse you, nothing will: the nature of poetry publishing (small pamphlets, high prices, that sort of thing) requires that p&p be calculated as 25p first item, 10p each additional, except where '+' after the price indicates that the first instalment is larger. When you've worked that out, get to grips with this: on the fiction/criticism/music lists, postage is calculated at 15% of the price of books up to £10 (minimum p&p 25p), 10% on books totalling over £10. If this two-tier system does your brain in, use the 15/10% throughout, and any surplus/shortage will be debited/credited, of course.

Please make all cheques/POs payable to NICK KIMBERLEY.

Duck Soup is open Monday-Friday, 10.15 - 6pm, and Saturday, 10.30 - 5.30pm. Personal callers (not too personal, mind) are always welcome. Lambs Conduit Passage is to be found in the north-eastern corner of Red Lion Square, right by Conway Hall.
